**REPORT FROM EMOA CHAIRMAN FOR 2010-2011**

The easy part is to begin this Report with a very similar statement to the one that I made in the 2009-2010 Report - members of the Association have been able to take part in a wide variety and number of events and activities from Club Nights, Training and School Events, Club Leagues, the East Midland League, the East Midlands Championships and Regional Events throughout the past year, together with the continuing commitment to support the Satellite Clubs and the Junior Squad, not forgetting the regular publication of EMEWS, our Regional Newsletter.

The membership throughout the Region continues to benefit from the experience and input of the Officers and members of the Executive Committee who, I am both pleased and grateful to say, are prepared to stay in office for the forthcoming year - to them all 'Thank You' and 'Keep up the good work'!

One Officer who needs a special 'Vote of Thanks' is Bob Alderson who has completed his three year term of office as the Secretary (for the record his second three year stint!) and who will be missed. Hopefully another willing EMOA member will be Proposed and Seconded to ensure the continuity of minute taking at the bi-monthly meetings to be held at the Pace Room at St. Mary's Church in Clifton Village.

One Officer, conspicuous by his/her absence, has been a Vice Chairman - no member was elected to this position at either the 2009 AGM or the 2010 AGM - hopefully third time lucky in 2011!

The format of the meetings has changed in the past year with Open Meetings to discuss and consider Junior Development throughout the Region and Adult Orienteering, allied to a review of the East Midlands Development Plan and future priorities, particularly with attention being paid to the funds of the Association, the funding of Regional activities, and the annual budget.

One aspect of the Region's activities was the holding of a very successful Development Day in early December 2010 and there is another Development Day being arranged in late November this year.

It has also become obvious that the current Association Constitution, drafted in 2003, needs to be reviewed and updated to match changes both within the Region and the National Federation. I hope that in the near future a Working Party consisting of one nominated person from each constituent Club will be formed to consider and draft a revised Constitution suitable for 2012 and beyond.

A full range of 16 League Events, including for 2012 a Short Green Course being added to the traditional seven Colour Coded courses, is already arranged and there is the possibility of not only a 'Night League' but also an 'Urban League'.

In 2013 Clubs within our Region are particularly active - the Midlands Championships (NOC), the CompassSport Cup and Trophy First Round (LEI), the British Sprint Championships (LEI), the British Middle Championships (DVO), the Yvette Baker Trophy Final (LOG), and the British

Schools Championships (DVO). There is also a possibility that the Region will be actively involved in the 2014 JK scheduled to be hosted in South Wales.

Finally, I would like to thank John Woodall, our Association President, and Judith Holt, elected at the 2011 National AGM, for their work on behalf of orienteers as Directors of British Orienteering.

I have compared the accounts with the underlying accounting records of the East Midlands Orienteering Association

I confirm that the accounts at 30 June 2011 are consistent with the underlying accounting records

My reviewed noted that the Treasurer now operates an online banking payments system but the constitution makes no mention of these arrangements for operating the account. Control over the Association's funds may therefore be compromised.

## Draft - East Midlands Development Plan 2011 - 14

In accordance with the constitution, the objectives of the Association "shall be to co-ordinate and develop the sport of orienteering, as defined by British Orienteering, within the East Midlands, and so to further the development and participation in the sport of orienteering".

This Development Plan has been drawn up to take forward those objectives. In order to fund the Plan, it was agreed by EMOA at its Committee meeting on 6 June 2011, that

## EMEWS

there was "a need to keep membership fees and levies at current levels supported by existing surpluses where necessary. Consider retaining three years money as reserve (£7500)".

### Editorial

This EMEWS is purely intended as a reminder of the EMOA AGM.

We want as many people there as possible so please try to attend if you can.

## Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Unless otherwise stated, Local events offer entry on the day (EOD) to a range of colour coded courses with start times from 10:30 to 12:30. Some will provide a wider range of courses than others. Regional events provide colour coded within which age classes can be run. National events provide a range of age related courses and are normally entered in advance using a Standard Entry Form (SEF); entry on the day (EOD) will usually be limited and more expensive. Cheques payable to organising clubs given at beginning of details, if not specified.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.
