Chairman's Report – John Bennett

Well we finally got the AGM sorted last night after our first attempt back in September fell one short of a quorum. Huge thanks to those that turned out on a very cold and foggy evening, especially the people that had a good distance to travel. Maybe it was not wanting to be late in case the fog got worse, but I wonder if 17 minutes for an AGM is a record? Hopefully no one felt that the meeting was done with undue haste, and I'm very grateful that everyone realised that we had gone through the business once before so no one expected every report to be presented in detail.

"..if 17 minutes for an AGM is a record?"

However, 2 key posts remain vacant, those of Vice-Chairman and Treasurer. Both of these posts are key posts on the committee. Can clubs and/or individuals think seriously how they can help out and fill these posts. We desperately need volunteers to help us out.

It's the end of November already but amazingly Bagworth was my first run out of the new season, illness and injury frustrating me again. But it only needs an orienteering event on a beautiful bright and frosty morning to re-charge the old batteries. Hopefully the weather will hold for a little while longer before the "hard winter" that has been promised. The EMOA League is drawing to a climax, with competition very fierce on several courses. They were thanked formally last night, but it bears

repeating, that the League just couldn't continue without the hard work of Roger and Ursula Williamson who co-ordinate the whole thing. We are looking to present the trophies at the first event of 2006 at Linacre, and as an experiment the presentation will take place at about 10.30 rather than waiting until the end. I'm sure that not everyone will be able to make it for 10.30, but we believe it is preferable to people having to wait around in the cold.

"The EMOA League is drawing to a climax, with competition very fierce on several courses"

Remember, that when I present trophies it is always very, very cold indeed!

On a personal note, by the time you read this I will have controlled my first event on Lincoln South Common, so if I look a little nervous you'll know why. LOG is also holding it's first ever C3 in Stapleford next March when I am joint planner. This is also the EMOA Championships so no pressure there either! I always have the greatest admiration for event officials, if you haven't planned/controlled or organised you won't know the effort put in. After South Common I will have tried my hand at all of them, and no doubt got even greyer and lost more hair.

Finally, I'll take this opportunity to wish all readers a very happy festive season, with glorious orienteering in 2006 for all of us.

EMEWS

EMOA Committee & AGM Meeting Report – November 21st 2005

BOF Membership Proposal – John Woodall is chairing the committee looking in to this. It is only just starting so no update at this stage.

New DVD – A new DVD is available of the Orienteering World Cup 2005, held in South East England. Further copies are available from BOF Office at £4 & 50p p&p.

Veteran Home International 2009 – According to the calendar East Midlands is scheduled to “host” the VHI in 2009.

BOC 2009 – The possibility of East Midlands hosting BOC 2009 is still under review. LEI have only just approached Peter Hubberstey about the potential of reviewing the areas.

Midland Night Champs 2006 – East Midlands should be hosting this event next year. Clubs should nominate an area for this as soon as possible.

East Midlands League – We are looking for sponsors for next years league. If anyone has any contacts who might be willing to sponsor the league then please get in touch with one of the committee. Thanks was given to Roger & Ursula Williamson for all their work in organising the League.

AGM Nominations:

| | |
|---------------------|-------------------------|
| President : | John Woodall |
| Chairman: | John Bennett |
| Vice-Chairman: | No nominee |
| Secretary: | Bob Alderson |
| Treasurer : | No nominee |
| BOF Council: | Chairman – John Bennett |
| BOF Rules Group: | Ernie Williams |
| Coaching: | Hilary Palmer |
| Development : | No nominee |
| Fixtures: | Ian Whitehead |
| Mapping: | David Olivant |
| Webmaster : | Andy Portsmouth |
| EMEWS: | Mike Gardner |
| Financial Advisor : | David Walker |

AGM Budget Proposals: Roger Edwards proposed the following changes for next year :

Subscriptions to stay the same as this year :

| | |
|----------|-----|
| Seniors: | £3 |
| Juniors: | £1 |
| Family: | £5 |
| Group: | £10 |
| Club: | £15 |

EMEWS

In terms of event levy from 1st January 2006 the event levy will be increased by 15% to:

| | | | |
|----------|--|--------------|--------------------------------|
| Regional | Senior - 85p | Junior - 20p | less first £ 25 of the sum due |
| C4 | Senior – 60p | Junior – 15p | less first £ 25 of the sum due |
| C5 | As C4 but only pay if levy is more than £ 10 | | |

In terms of SI levy this should be increased by 20% from 1st January 2006 to:

| | | |
|--------------|--------------|--------------|
| C4 and above | Senior – 60p | Junior – 20p |
|--------------|--------------|--------------|

These proposals were agreed by the AGM.

BOF Council – The main items covered were that there is a new Vice-Chairman for BOF, Neil Cameron. Also the funding for the movement of premises for BOF has been agreed.

Rules Group – Clubs must be aware that for all levels of event registered with BOF and with Third Party Insurance Cover all Organisers and Planners must be BOF members. Mention was made of Clubs who appoint a non-BOF member but use for Registration purposes a BOF member as Organiser/ Planner at C5 level – Clubs must ensure that the BOF member is present at the event.

As the Harvester Trophy is in Scotland next year it has been agreed to amend start times because of “shortage of darkness” so that orienteers will run in dark rather than daylight. This change applies to 2006 only.

It was agreed that all events of level 3 and higher shall be expected to have some form of independent back-up at each control site and that the back-up must be seen to have been used otherwise the competitor will be disqualified. In the case of SI the most obvious back-up would be a pin punch attached to the stake. In EMOA all the aluminium stakes already have this and the new lighter stakes will be set up with pin punches when they arrive.

There was lengthy discussion on further proposed rule changes for the CompassSport Cup but as the agreement had been to use the new format for 3 years before changing it, no changes will be made to this year's rules.

The Regional Event Experiment had been trialled by 3 regions (e.g. the DVO event at Longshaw). This had identified 3 issues:

- Need for publication of course lengths prior to entry in the preliminary details
- Need for a course for small numbers (e.g. course 8 for “aged competitors”)
- A Guideline to be produced for an event with shorter and less courses (e.g. a “Medium” course for all M50s rather than courses for M50L and M50S).

The badge scheme is currently under review by Alex Ross and Mike Napier.

3 Grade 1 controllers were approved.

EMEWS

There is encouragement for regions to put on Organiser, Planner and Controller courses using BOF materials. Alex Ross is to get the slides used on training courses scanned and added to a Course CD.

Junior Competitions – The Young Orienteers Festival for 2006 is to be held between the 2 races of the British Sprint Championships at Milton Keynes on 20th May 2006. The aim is to have town or district teams rather than orienteering clubs.

DVO Schools Development – All funding is now in place with the funding coming from Sport England, Derbyshire Sports and orienteering for a part time coach – see separate advert.

Rex Bleakman is continuing to work with secondary schools and feeder primary schools in developing maps for schools.

SI Equipment – It was agreed that East Midlands should purchase the DVO SI equipment so that we will end up with the potential to have 2 batches of SI equipment. We should have as a region 115 aluminium stakes, 46 glass fibre stakes, 126 large control boxes and 49 small control boxes as well as 3 sets of master stations.

Going forward the plan will be to create 2 batches of controls with a mixture of aluminium stakes and glass fibre stakes in each. The numbers on the aluminium stakes will be 101-148 in batch 1 and 149-198 in batch 2 (so they can be brought together for a district event). 72 dibbers will also be associated with each batch. These batches can then rotate around the region more easily but they will still need to be booked out via Derek Gale.

Next Committee meeting – the next EMOA committee meeting will be held on January 23rd 2006.

-----000-----

Lincolnshire Bomber

John Bennett has asked me to inform members that they might have to change some of the details from what has already been put out. This is due to shooting rights, but this will be resolved by December 1st and all publicity will be accurate from that point on. Basically people should keep an eye on the Bomber website, it promises to be an excellent weekend. Whatever happens, a C4 and long-O will go ahead on one day, and relays at Twyford Woods on the other.

Out & About – Bradgate Park & Swithland Woods

Bradgate Country Park is Leicestershire's most popular country park with about 900,000 visitors each year although I am not sure how they manage to count us.

It is part of the ancient Charnwood Forest and is now on the eastern edge of the new National Forest. The Country Park is made up of Bradgate Park itself, an 830 acre mediaeval deer park of relatively unspoilt countryside with grassy covered slopes running off one of the highest hills in Leicestershire with walled copses, areas of bracken and rocky outcrops, and the pretty valley of the River Lin running into Cropston Reservoir. Apart from the creation of the reservoir it is probably little changed and largely unimproved over the centuries, with parts looking much as it would have done in the Middle Ages.

Famous for the folly known as "Old John Tower" this building in the shape of a tankard can be seen for miles as can the Yeomanry War Memorial. Old John is the subject of much myth and legend and stands at 690 feet and was built in 1784.

It was created as a hunting park from the Charnwood Forest well over 750 years ago. No record exists of when it was enclosed, but it was certainly before 1240.

Herds of red and fallow deer about 340 in number at the last count, wander at will within the park - one of the finest herds of parkland deer in the country. Deer have been kept at Bradgate, in this fine example of ancient parkland, since the 13th century and to protect them from stress they have areas of the park reserved to them where they can escape from human presence when the park gets too busy.

Bradgate Park contains nationally important geological exposures (some are over 700 million years old and rank as some of the oldest in England). It also contains some of the last important fragments of wet and grass heathland in Leicestershire, wonderful veteran trees and other special habitats, with a diverse range of flora and fauna including rare plant species and is also a valued site for a wide range of birds, vertebrates and invertebrates.

The park includes the ruins of Bradgate House, one of the first unfortified brick built country houses in England, begun in about 1499 and completed over a considerable span of years. The mansion house continued to be occupied until the death of the Second Earl of Stamford in 1719.

EMEWS

There are historical connections with Lady Jane Grey (1537-1554), the nine days Queen of England. Lady Jane, elder daughter of Henry Grey (later Duke of Suffolk) and his wife Lady Frances Brandon, was born and spent her early childhood at Bradgate House. There are a range of other important historical connections including the Grey family, influential nobles in Mediaeval and Tudor England who married into the Royal family.

Also within the estate are Swithland Woods - some 146 acres of ancient woodland, again being a remnant of the original Charnwood Forest Oak Wood. Swithland Wood is one of the few woodland areas in Leicestershire of national nature importance (being on acid loamy soils) and a significantly important area of ancient woodland in the East Midlands. It contains some of the best remaining examples of oak, small leaved lime and alder woodland in the county and as such is an ecologically rich woodland habitat. It has a very important, rich and varied range of flora and fauna including a diverse butterfly, moth and bird population.

There are two water filled former Swithland Slate Quarries within Swithland Wood. One is some 58 metres (190 feet) deep and used for sub aqua diving.

Bradgate Park was privately owned until 1928, when it was purchased from the Grey family and generously donated in Trust by Mr Charles Bennion to be preserved in perpetuity in its natural state for the quiet enjoyment of the people of Leicestershire and visitors to the County. Subsequently, in 1931 Swithland Wood was gifted by the Leicester Rotary Club. Over the years, various other areas of conservation and amenity woodland and agricultural land on the edge of the Country Park, have been donated or purchased and the estate now extends to some 1261 acres (510 hectares)

Throughout the estate there are 350 veteran trees - some over 500 years old and growing at the time of Lady Jane Grey and many others over 300 years old. Throughout the seasons, it is possible to find up to 106 species of bird, 20 species of mammal, 4 species of amphibians, 8 species of fish, a host of plant species, trees and shrubs as well as lichens, fungi and a host of invertebrate species with many of the flora and fauna regarded as locally rare.

The estate comprises a total of 1261 acres of which 984 is an SSSI and as such we have to use it sensitively. We are only allowed into Bradgate during the summer months and parts of Swithland are off limits to us.

Within the estate there are 36 miles of paths tracks and roads etc, 40 miles of ditches, streams and river, 6 miles of hedges, 17 miles of stone walls and seven miles of other fencing. There are 9 lakes or ponds of one sort or another.

Roy Denney

-----0000-----

JHI 2005

The JHI s this year were held in South Wales on the Gower Peninsula.

The individual race was on Whitford Burrows, a very flat, fast sand dune area with fairly straightforward navigation making speed and accuracy the name of the game and leaving very little room for mistakes.

There were some good results by people from the East Midlands. Peter Hodgkinson was 2nd on M14 by only 1 second, John and Mairead Rocke were both 3rd on M18 and W14 respectively and Rose Hodgkinson was 4th on W18.

As usual, on the Saturday night all the teams gathered together for the evening meal and a disco afterwards, this time in a very cosy little restaurant which only just fitted everyone into it.

The JHI relay was held on Broughton Burrows, a much more complex sand dune area with a lot of intricate contour detail.

Scotland were the winners in the men's relay after a very speedy run from Duncan Coombs brought them from 3rd to a comfortable victory of just over 4 minutes. England were 2nd with Wales close behind.

The woman's relay had an exciting finish on the last leg with all four English teams and one Welsh team all running together from the spectator control. The strength in depth of the English showed through with England claiming 1st, 2nd, 3rd and 4th. However, all 5 teams finished within 1 minute of each other.

Overall it was a very enjoyable weekend made all the better by good courses planned on interesting areas. The good course planning also made both the individual and the relay very spectator friendly for all the coaches and minibuss drivers who gave up their weekend to drive us all there without even the chance of a run!

The overall result of the competition was;

| | |
|--------------------------|------------|
| 1 st England | 129 points |
| 2 nd Scotland | 96 points |
| 3 rd Wales | 92 points |
| 4 th Ireland | 43 points |

Wales were unlucky, finishing 2 points behind Scotland on both days.

Rose Hodgkinson

East Midland Champs 2006

Next year's East Midland Champs will be held at LOG's first event C3 event at Stapleford Woods on March 5th 2006. Reserve this date in your diaries now. Pre-entries will be required by 18th February.

EMEWS

East Midlands OA League

The current League table below shows the results so far from the first 15 events.

1=Thieves Wood, 2=South Common, 3=Litchester, 4=Harlow Woods, 5=Budby, 6=Beacon Hill, 7=Whitesprings, 8=Stapleford, 9=Twynford, 10=Crich Chase 11=Kedleston 12=Fermyn Woods, 13=Harlow Woods(2) 14=Stanton Moor 15=Bagworth

I have only included those with scores over 1000, or the top 10 in a class whichever is the greater. Also only those with more than 2 events. As can't get all the list across a page the table now shows best 8 events with figure after hyphen denoting event that points were scored at.

Dec 4th NOC Sherwood

Prizegiving

The prizegiving for the East Midlands OA League 2004/ 5 will take place at 10:30am on January 8th at the DVO Linacre event in the car park.

East Midlands League 2006

There are currently around 18 C4 events scheduled for next year in the East Midlands. All events with the exception of the Temple Woods event will count towards the League with the best 8 events counting.

Community Sports Coach - Orienteering - British Orienteering Federation

Part Time Appointment £6200 pa

We are delighted to announce that funding has been secured for a Part-time community sports coach in Derbyshire. The post holder will work for the British Orienteering Federation, managed locally by Derwent Valley Orienteers. This is an exciting opportunity for an individual to work with young people and schools to establish strong links with regular after school training groups. This post is aimed at promoting interest in the sport of Orienteering and developing the skills and capability of both young people and others as part of the plan for orienteering in Derbyshire.

The role of the Coach will be to develop curriculum time and to run regular after school sessions with the intention to introduce young people into Derwent Valley Orienteers. Sport England is managing this scheme with the support of the Department for Culture, Media and Sport and other partners based on the key recommendations of the Coaching Task Force.

Details

The coach will be required to make links with local schools and run regular courses progressing into regular club sessions. The successful applicant would need to work flexible hours loosely based on a 16-hour week and 40-week year. Some weekend and evening work will be involved

Requirements

Applicants should be current BOF coaches with a minimum of BOF Level 2. This post is subject to an Enhanced Disclosure application to the Criminal Records Bureau. The employer is the British Orienteering Federation. All sections of the community are welcome to apply. The post is for 3 years subject to funding.

For further details about the post contact the Chair of DVO, Derek Gale on 01283 585244 or derek244@tiscali.co.uk to request an application form and Job Information pack.

CLOSING DATE FOR APPLICATIONS – 10th December 2005.

Cover Picture

Those of you who enjoyed the weather at Harlow which was followed by the Stanton Moor downpour the following week will recognise the feeling of the orienteer Ernie has drawn. Thanks again to Ernie for his covers.

---000---

Edit orial

Just a quick thanks to all contributors and other newsletter editors for sending their newsletters. Hope everyone has a great holiday season and EMEWS will be back at the end of January.

EMEWS

Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Unless otherwise stated, District events offer entry on the day (EOD) to a range of colour coded (C4) course with start times from 10:30 to 12:30. Local events (C5) will only have a limited range of courses. Regional and National events (C3 & C2) provide a range of age related courses and are normally entered in advance using a Standard Entry Form (SEF); entry on the day (EOD) will usually be limited and more expensive. Most will offer a limited number of colour-coded courses for EOD. Cheques payable to organising clubs given at beginning of details, if not specified.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.

The East Midlands Orienteering Association has an answerphone which provides up to date information on events and also late cancellations. It is available on 0906 270 3419 at a cost of 25p a minute.
