### **Cover Picture**

Thanks again to Ernie Williams for his cover based on an actual happening - after early competitors had started at the Fosse Meadows event it was discovered that, due to a misunderstanding, the control at 62 'Crag' had been left at the edge of a path and not at the control site. A volunteer, all dressed in black, went out and picked up the control and was then chased by some competitors who, catching up 'The Man in Black' (no, definitely not Johnny Cash) then punched on the wing, so to speak, before he made it to 'The Crag' - and a small crag it was too!

**EMOA AGM**

The East Midlands Orienteering Association AGM will take place on  
**Saturday 8<sup>th</sup> September 2007 at the Bell, Smalley.**

The AGM will start at 12:30pm and will take place in the marquee.

The event takes place immediately after DVO's Shipley Park event so come and have a run and then have your say at the AGM.

**EMOA Committee Meeting Report – July 23<sup>rd</sup> 2007**

**Major Events Conference** - This years Major Events Conference will be held at the Birmingham University Conference Park and the dates are Friday 31 August - Sunday 2 September.

**Reformatting of District Event Results** - We have discussed at EMOA Committee whether it is worth presenting District Events in alternative ways so that orienteers can see their position relevant to other orienteers in similar age groups. Derek Gale has taken a few recent results and presented them in this alternative format. The intention is not to replace the current results but provide a different way of seeing them. We would like comments from YOU. What do you think about this format? If we do use this, what groups should be used? Is it worth doing this at all? Note: There is no intention to replace the EMOA League with this approach.

The results are available at [www.jgapplications.co.uk/emoa/](http://www.jgapplications.co.uk/emoa/).

**Maps on the web** - At present BOF is in talks with the OS on this topic. The agreement was that a measured area of a map based on OS could be put on the web for information. However, the OS are claiming a significantly increased fee for maps on the web. Therefore it is not recommended that you place full maps up until an agreement is reached. There could be a copyright fee imposed on BOF or possibly the club. There is no restriction on any maps based on other sources so there is good reason to base your maps on aerial photos from the web. A good site is [www.192.com/maps](http://www.192.com/maps)

**BOF Whole Sport Plan (2009-2013)** - With the advent of the new Sport England planning cycle it appears that 65% of their funding will come via the regional offices, therefore the case for money to get to BOF needs to come via the regional plans. As these plans need to be in place by the end of 2007, the region needs to start identifying it's plans soon.

**EMOA Financial Position** - Dave Bennett was unable to attend but sent a financial statement. The end of year accounts showed only a few minor variances from budget:

- lower income from event levies (partly due to two C4 events being cancelled)
- higher subsidy for junior squad (£2000 rather than £1600)

- higher expenditure on SI equipment

Based on this year's actuals Dave proposed a budget for next year to break even. This would mean we would need to increase income by £400 to accomplish this. He therefore proposed raising membership fees and event levies. After discussion among the committee it was felt that we could cover a £400 deficit from savings, so we should propose to do that make a loss next year, but keep all the membership fees and event levies at the same rate.

**Electronic EMEWS** - One way we could keep costs down is by distributing EMEWS electronically. Mike does this today to a small number of folk. If anyone else would like to be included in the electronic distribution list (and not get a paper copy) let Mike know at the email address on front of EMEWS.

**EMOA AGM** - Details elsewhere in EMEWS. However, this year all of the major officials are available to stand again. They are quite willing to allow others to step forward if they would like to do so. Just turn up at the AGM and volunteer. Having now edited EMEWS for 5 years I would welcome any volunteer to take over from me.

**DVO's National Event at Longshaw** - No further updates on the national event, it all appears to be going along smoothly at this time.

### **Controllers Corner**

One item from the last Rules group concerned comparative running speeds. Under consideration was whether the speeds in the rules need updating. David May had performed an analysis of comparative running speeds of men and women in senior age classes using the 2006 Lakes 5 Days results data and the 1997 BOF Rules and Guidelines ratios. It was apparent from the data and from personal experience of Rules Group members that M/W 50+ were not getting progressively slower as the years passed but were maintaining their fitness and speed levels. Some thought will therefore need to be given to make M/W 50+ courses a small amount longer except on very physical terrain. It was suggested that, if he is prepared to do so, David May be asked to produce separate data graphs for Men and Women and to include results data from recent events such as JK and BOC, which could then lead to a review and revision of course lengths and ratios for 2008. The comment was made at EMOA committee that it appears orienteers in these age groups are "not getting slow enough, fast enough". However, another interpretation can also be put on the results. That is that we are only retaining in the sport those who can compete at this level and others are dropping out. Are they dropping out because courses are getting too long? Any further extension in course lengths would exacerbate this further. What are the views of EMOA members?

1. **Apologies for absence:** Derek Gale, Val Johnson, Graham Johnson, Dave Skidmore, Roy Denney, Chris Phillips, Roger Phillips, and Hazel Rice
2. **Minutes of the 41<sup>st</sup> AGM.**  
These were accepted as a true and accurate record of the meeting  
Proposer: Mike Gardner Secunder: John Woodall
3. **Vice Chairman's Report**
  - (a) This has been a successful year for the sport in the Region with almost 100 events being staged.
  - (b) This has been a successful year with a number young people from the Region representing their Country - with thanks to Hilary Palmer, Pauline Olivant and other coaches for their input which this success reflects.
  - (c) The newly acquired lightweight SI equipment has been welcomed by all who have used it
  - (d) There are lots of excellent events planned for the new season by all EMOA clubs - lots to look forward to
  - (e) Thanks to Andy Portsmouth for staging the street 'O' event prior to the AGM. This was won by Roger Edwards, who will organise the event for next year.
  - (f) Finally thank you all for coming.
4. **Secretary's report**  
EMOA had 363 members (a decrease in 5 Senior and 3 family members. We have a total of 44 controllers at the various Grades (decrease of 1). No Regional conferences for controllers, planners were held - had anticipated that WMOA would stage them. There were 13 coaching courses at Level 1. Two have attended coaching course at level 2 and have almost qualified. Derbyshire have a new community sports coach in orienteering and much new coaching development is going on in LEI
5. **Treasurer's report and approval of Balance Sheet and Income & Expenditure Statement**  
There was a surplus of nearly £500 compared with a forecast loss. This was mainly as a result of a mid year change to the SI equipment accounting. In future some equipment will be bought each year and will not depreciate the equipment over five years. So there is no need to charge for depreciation, this effectively saves £1,000 each year. In view of this reduction and the healthy SI fund there is a proposed reduction in the SI levy for 2007.

The other unusual factor in the accounts relate to JIRC, the last bit of income - £390 of funds from BOF came in July and the final 40% of the expenditure was made in the current financial year. The balance was transferred to Association funds and in recognition of the efforts made was paid out to Nottinghamshire Schools Orienteering Association.

Membership is falling so that membership income is dropping too. Event levy income is being sustained but part of this is due to the increased rate of levy from January 2006. SI hire income is being sustained; this year only one dibber was recorded as lost. Income was higher than previous years owing to the sponsorship of the League, unfortunately no replacement sponsor has been found.

On the junior side, income and expenditure is similar to last year. The grant of £392 from Nottinghamshire County Council is welcomed but this is its final year.

No conference for planners and controllers was held and the cost of awards to support juniors was low.

Moving to the balance sheet, this is very healthy. The accumulated fund is the buffer against bad times and this provides the Association with a very considerable safety margin. The SI fund is also larger than required as we were fortunate to buy second hand equipment and therefore we did not pay as much as originally estimated. This leaves a balance sufficient to replace all the old equipment and nearly all the dibbers.

The accounts for the year, having been circulated, were accepted.

Proposer: Andy Portsmouth

Seconder: John Woodall

Ernie Williams proposed a vote of thanks to Roger Edwards for acting as Treasurer during this last year at the expiry of his three year term of office. This was unanimously agreed.

**6. Election of principal officers**

Post	Proposed	Proposer	Seconder	Outcome
President	John Woodall	Bob Alderson	Hilary Palmer	Elected
Chairman	Derek Gale	John Woodall	Mike Gardner	Elected
Vice Chairman	Ernie Williams	Bob Alderson	Peter Leake	Elected
Secretary	Vacancy			Vacancy
Treasurer	David Bennett	Ranald Macdonald	Mike Gardner	Elected

Bob Alderson is retiring as Secretary after his three year term of office. Thanks to Bob for the efficient discharge of his duties. Bob has agreed to continue in the role as Secretary up to and including the next EMOA meeting on 25<sup>th</sup> September, but is not available after that date.

**7. Election of other officers**

Post	Proposed	Proposer	Seconder	Outcome
BOF Council	EMOA Chairman	Mike Gardner	Steve Bones	Agreed
BOF Rules Group	Ernie Williams	John Woodall	Steve Bones	Elected
BOF Coaching	Hilary Palmer	John Woodall	Peter Leake	Elected
Development	Vacancy			Vacancy

Mapping	David Olivant	John Woodall	David Walker	Elected
Web Master	Andy Portsmouth	Bob Haskins	Peter Leake	Elected
EMEWS	Mike Gardner	Andy Portsmouth	David Olivant	Elected

**8. Appointment of Independent Financial Examiner.**

Bob Alderson was proposed by John Woodall and seconded by Steve Bones and was duly appointed.

Many thanks to David Walker who has undertaken this role for a number of years now, but who is barred by the constitution from continuing in this role as the newly elected treasurer is from the same club (DVO).

**9. Budget projections and Fixing of charges**

- (a) It was agreed to keep annual subscriptions unchanged at the current rate of Senior £3, Junior £1, Family £5, Group £10 and Club £15.
- (b) Event Levy to remain unchanged
  - Regional: Senior 85p, Junior 20p, less first £25 of sum due
  - C4: Senior 60p, Junior 15p, less first £25 of sum due
  - C5: As C4 but only pay if levy is more than £10
- (c) It was agreed to decrease SI Levy for C4 and above from Senior 60p and Junior 20p to Senior 40p and Junior 10p from Jan 1<sup>st</sup> 2007

Proposer: John Woodall Seconder: Bob Alderson

# **10 Plans for the coming year**

No specific plans were discussed at the meeting  
Meeting closed at 8.48 pm

## **EM Coaching programme 2007/2008.**

The EM clubs are again hoping to co-ordinate a programme of coaching activities. The proposed dates are below, majority are at the beginning of the district events, but a couple are stand alone coaching sessions.

The dates/venue (club area) are as follows:

23 <sup>th</sup> Sept	NOC C5 Burnstump	Local event 10-11 including Adult coaching clinic
13 <sup>th</sup> Oct	LEI C5 Evington	Local event 10-11
FRI 26 <sup>th</sup> Oct	Rosliston Country Park, nr Swaldincote,	All juniors, 14+ will have opportunity to do the Young Leader Award.
24 <sup>th</sup> Nov	NOC Bestwood,	Coaching only session, Timings likely to be 10.30 to 3pm
16 <sup>th</sup> Dec	NOC junior activity following C4 Walesby	
5 <sup>th</sup> Jan	DVO Drum Hill	Coaching only session (Timing to be confirmed)
27 <sup>th</sup> Jan	C4 Rough Park	Local event 10-11
16 <sup>th</sup> March	C4 Thieves Wood	Local event 10-11

The sessions will cover a variety of coaching activity, but will primarily be targeted to help learn AND practice the skills to do white to orange courses.

Everyone is welcome, more details about each session will be available nearer the time, check with event flyer, but please contact YOUR club coaching co-ordinator, if you wish to attend, to enable them to ensure there are sufficient coaches and maps to meet demand.

### 1. The Junior Inter Regional Championship - Bronze medals!

The Junior Inter Regional Championship was held in Yorkshire on June 23<sup>rd</sup> and 24<sup>th</sup>. All 12 regions were represented and the competition was extremely close. After the individual competition on Saturday at Malham the men's competition was won by the home region, Yorkshire and Humberside, whilst East Midlands was leading in the women's competition. This was an amazing score with tremendous runs from all six counters:

W14: Jenny Evans 2nd and Elizabeth Parkinson 6th;

W16: Mairead Rocke 1st and Fiona Claxton 2nd;

W18: Sarah Claxton 7th and Laura Evans 8th.

The men's team were somewhat overshadowed by the women but top 10 places for M16s Peter Hodgkinson 2nd and James Taylor 5th were backed up by good points from many first timers competing at this level:

M14s: Ben Beresford (an M12) and Matthew Green;

M18s: Craig Woods (an M16 who ran 'up') and Matthew Wallace.

Other members of the team gained valuable experience for the future: Harriet Lawson and Victoria Littlewood running W14 whilst only W12s, M14s Samuel Horsewill and Chris Houlton, W16 Katie Taylor, M16s Peter Lynas and Harry Nicholson and M18 Ben Windsor.

The relays at Otley Chevin on the Sunday were exciting with Scotland winning the womens' class and Yorkshire & Humberside the men's relay. Our relay teams scored valuable points with the girls again packing well to finish in 6th (Mairead, Elizabeth and Sarah) and 7th (Fiona, Jenny and Laura) positions and the boys in 12th (James, Ben B and Peter H) and 21st (Craig, Matthew and Ben W).

When the points for the two days were combined the top three places went to: 1st Yorkshire & Humberside 492 points, 2nd Scotland 479 points and 3rd East Midlands 380 points. What excitement! East Midlands best ever result before this was 4th - fantastic for a 'small' region.

My special thanks to Pauline Olivant, Val Johnson, Jim Clarke and Robert Parkinson for taking the team. John and I were able to cheer on the teams at the relay.

### **2. Thanks for the memories - and the gifts**

Now that I have reached the age of a free bus pass and after 15 seasons as the squad Co-ordinator I have decided to 'retire' from the Junior squad. I have really enjoyed working with many coaches and juniors over the years and this years JIRC result was the icing on the cake! I was very touched to be presented with a lovely bouquet and picture of one of my favourite orienteering areas (outside of EM, of course!), the New Forest from the region and the juniors.

Very many thanks to you all for the gifts and for some wonderful memories of our squad sessions over the years. Richard Robinson (Coach) and Janet Evans (Admin) will be taking over from me for the new season with the back up of other coaches as I had since 1992.

Hilary Palmer

All the EMOA Committee would like to thank Hilary for all the great work she has done over the last 15 years for the EMOA Junior Squad.

### PLEASE ADVERTISE THIS TO ANY PROSPECTIVE CANDIDATES

**British Orienteering Level 3 and 4 Courses Friday 5<sup>th</sup> – Sunday 7<sup>th</sup> October 2007**  
**North Centre House, Lakeside, Windermere, Cumbria**

There will be both a Level 3 Course and Level 4 Course based at Lakeside over the weekend of the 5<sup>th</sup> to 7<sup>th</sup> of October 2007. Following the format of previous years' courses, we have co-ordinated another two such courses to enable travel to be combined and an opportunity for coaches and aspirant coaches from different regions to train together. The limited social time will also be enhanced by this combination.

*The weekend will comprise practical and theory sessions. Assembly will be after dinner on the Friday evening, although snacks will be available. The course will run from 09.00 - 21.00 Saturday and 09.00 - 15.00 Sunday. There will be no assessment during the weekend although candidates will be given details of potential Assessors. The course will not cover any of the First Aid requirements for the awards and a further two-day course covering those aspects will need to be attended prior to assessment.*

The course is being heavily subsidised by British Orienteering. The all-inclusive fee of full board after Friday's evening meal to lunch on Sunday and all tutoring/materials costs etc., is £75. Travel expenses are not however available. Day visitors will be allowed subject to availability at a cost of £50. Clubs and Regional Associations usually pay the candidate's costs providing you apply.

Numbers are limited (12max per course) and attendance will be strictly on a first come first served basis. The closing date for applications is the **24<sup>th</sup> September** and final details will be sent out by September 28th.

## **Halden 2007 Report – James Taylor**

The journey to Halden was by no means a simple one. To begin with, extensive flooding in the West Midlands had resulted in numerous train lines being underwater, creating havoc in stations up and down the country and delaying our journey. When Peter Hodgkinson and I eventually arrived at Stanstead Airport, we found miles of queues leading to the check-in with everyone in the country seeming to want to board planes that day. An hour and a half later, we reached check-in, only to find that we had to join another queue so that we could pay for extra weight in our hold luggage. By this point the final gate call was looming and we were starting to anticipate the worst. Thankfully, some older members of staff took pity on us and we were able to be "fast-tracked" through security and onto the underground train to our gate. After running up the escalators and stairs we reached the gate with just 5 minutes to spare until take off. A sense of relief swept over me and for the first time that day I was able to relax.

When we reached Gothenburg airport, we met up with the other members of the tour who had already been training that morning and we set off in convoy to our home for the next fortnight. Despite witnessing some rather cavalier Scandinavian driving along the way, we reached our hut with little fuss. The boys' dormitory was downstairs in what looked like some form of old sports hall; needless to say we quickly found the equipment store and began a quick game of dodge ball. This excitement was to be short-lived though, as after briefly unpacking our things, we were rushed upstairs to meet our coaches and be given a briefing about what we would encounter during our stay.

During the first week, we were put through our paces with a series of strenuous navigation exercises, both around the hut and further afield, as well as the challenge of a 3000m time-trial. With two training sessions a day and a debrief in the evening, there was little time for anything other than eating and sleeping, so when we were told that we would get a rest afternoon halfway through the tour, the idea was unanimously welcomed.

Despite getting lost on nearly every exercise throughout the two weeks, the positives from Halden vastly outweighed the moments when I thought even the map had something against me. Such highlights included: swimming in the Norwegian lakes, a massive sweet supermarket in Sweden and post-training saunas every day.

As if the tour couldn't get any better, the last week was one of the best of my life. We had the classic and middle tour champs in some beautiful forests and the sprint champs in Halden castle, but the icing on the cake for me was definitely the 'Junior 10mila' held on our last day in Scandinavia.

The atmosphere in the assembly area was electric, with over 100 teams from across Europe cheering on not only their own runners but anyone else who ran past as well. One of my best memories will be waking up at 3am to the sound of an orienteering adaptation of Finland's Eurovision entry by Lordi blaring over the intercom as Peter came storming down the run-in in a very respectable 42<sup>nd</sup> place (gaining 32 places on his leg alone). By

the time it was my leg, the adrenaline was flowing freely through my veins and despite the fact that the team had already mis-punched, I was determined to go out and enjoy this wonderful opportunity. I loved every minute of my run and came back wearing a huge smile. It was only once I'd finished that I found out that I had won my leg by 8 seconds ahead of the German Youth Team runner. I didn't sleep a wink for the rest of the day and revelled in the atmosphere by getting photos with leading girls' teams and the rest of our boys' team.

This was a perfect end to a brilliant two weeks and I would like to thank EMOA for subsidising my expenses and giving me the chance to take advantage of this great opportunity.

## EAST MIDLANDS JUNIOR SQUAD NEWS

It's all change at EMJS. Hilary Palmer has recently retired as squad co-ordinator after many years in charge. Thanks to both Hilary and John on behalf of all past and present squad members for all their hard work.

New head coach is Richard Robinson who will be supported by a team of coaches and a squad administrator. The existing team of volunteers would more than welcome any offers of assistance from EMOA members. We would like to hear from anyone who can help us with fundraising activities, drive a minibus or would like to get involved with coaching activities. Specifically - is there anyone out there who would help us to co-ordinate running a squad cake stall at a few selected events throughout the year?? If so we'd love to hear from you.

The squad team have put together some initial dates for training sessions. Juniors please put the following dates in your diaries now:

- |   |   |
|---|---|
| 26 <sup>th</sup> Oct                    | Rosliston Country Park. Coaching for yellow/orange standard and a chance for those aged 14+ to do the Orienteering Young Leaders award. |
| Nov 3 <sup>rd</sup> - 4 <sup>th</sup>   | Coaching at Longmoor on Sat and Nov Classic Event on Sun.   |
| Nov 24 <sup>th</sup>                    | Coaching at Bestwood.   |
| Nov 24 <sup>th</sup> - 25 <sup>th</sup> | M/W 16's at Lakeside weekend.   |
| Dec 16 <sup>th</sup>                    | Social after Walesby C4 event.  |

There will be more details of all these events to follow shortly.

Janet Evans (EMJS administrator)

### Lagganlia report

This year has been my best year in orienteering so far. Not necessarily in terms of results, but in the opportunities I've had to improve, and how I've taken advantage of them.

My goals at the start of the year were to be selected for the Lagganlia summer tour, and for the England Junior Home International team. I knew that to achieve this I would have to get everything right in the selection races, and, keep on improving. I already do a fair bit of physical training, but, living in Nottinghamshire it isn't easy to do the best technical training, and having to compete against people who live nearer to better terrain, you are already at a disadvantage.

I am lucky enough to have parents who love the Lake District. So much so, that in mid 2006, they decided to purchase a second house there. What better place to orienteer? Since October 2006, we have been going to stay in the house regularly at weekends and holidays, often planning it to coincide with orienteering events in the area. I was amazed (and rather jealous) that they have small evening events and colour-coded events on such brilliant terrain! Why can't the East Midlands be like that?!

After a long wait, in May I found out I had been selected for the Lagganlia training week (Goal number 1 achieved!). A week of training in Scotland, even better orienteering areas!

When it came to the end of July, I caught the train up to Aviemore and prepared to struggle through a week of difficult contours! The week helped me lots, but also, I didn't find it as difficult as I thought I might. The training in the Lake District this year has definitely helped, and assisted me in getting the best out of my week in Scotland, as I wasn't getting lost all the time, but constantly building on my skills.

As well as the week being great for orienteering, it was one of the most fun weeks away I have ever had, and I made some great friends. Thank you to East Midlands for helping to fund me to go on Lagganlia 2007.

## Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Unless otherwise stated, District events offer entry on the day (EOD) to a range of colour coded (C4) course with start times from 10:30 to 12:30. Local events (C5) will only have a limited range of courses. Regional and National events (C3 & C2) provide a range of age related courses and are normally entered in advance using a Standard Entry Form (SEF); entry on the day (EOD) will usually be limited and more expensive. Most will offer a limited number of colour-coded courses for EOD. Cheques payable to organising clubs given at beginning of details, if not specified.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.
