EMOA Chairman's Annual Report for 2011-2012 to the EMOA Membership

This, my final Annual report to the membership, is a review of the activities of the Association over the past year and I will be looking positively towards the future both within and outside of the Region.

Members are benefiting from being part of a flourishing Regional set-up as demonstrated by the well established East Midlands League and with the League Tables and League Awards being co-ordinated by Roger Williamson and, following Roger's untimely death, by Ursula Williamson, and the introduction of the East Midlands Urban League being co-ordinated by Paul Murgatroyd, together with the successful introduction and continuation of the Satellite Clubs project, the individual Club Summer and Winter Leagues, and the increasingly popular Club Activity Nights and Coaching Sessions throughout the Region.

Allied to the above is the developing co-operation between the Clubs and, aided by our Fixtures Secretary Ian Whitehead, the co-ordination of an increasing range of events be they local, regional and national. One major fixture which played an important part in the Region in the last twelve months was the CompassSport Cup and Trophy Final hosted by DVO at Longshaw last October and, in the coming months, two East Midlands Clubs will be playing a significant

EMEWS

role in the 'Major Events' calendar with the Midland Night Championships being hosted at Spring Cottage on 3rd November closely followed by DVO hosting the East Midlands Championships at Eyam in just under three months on 25th November.

To say that 2013 will be a busy year for the East Midlands is an understatement, with the Midland Championships being held on 3rd February and hosted by NOC at Sherwood and, shortly after, the Regional Round of the CompassSport Cup and Trophy hosted by LEI at Fineshade on 17th February. Just weeks following 2013 JK there is the Elite and Age Class Weekend with the British Sprint Championships at Loughborough University on 20th April being hosted by LEI and the British Middle Distance Championships at Stanton Moor on 21st April being hosted by DVO. LOG will be hosting the Yvette Baker Trophy Final on 7th July at Belton Park and, later in the year, DVO are hosting the British Schools Championships at Shipley on 17th November.

Looking even further forward, there is every possibility that EMOA and the East Midlands Clubs will be asked to make a significant contribution, as we did in 2004 at the JK in the Lake District, at JK 2014 in South Wales. Precisely what we will be asked to do and where is not yet known at the time of typing (late August) but I am sure that the membership of EMOA will once again rally round in support of WOA to create a successful and memorable four day JK at Easter time.

Little could be achieved without your Association having a sound financial footing and your Association has been, and hopefully will continue to be, guided by Viv Macdonald as Treasurer, who led a thorough review of financial income and expenditure, the funding of the Satellite Clubs, and the awarding of grants to EMOA members, for which we offer our thanks. All of this work was linked to the review of the existing EMOA Development Plan and your Committee, after intensive discussion, have agreed a new Development Plan for the next three years which will act as a secure foundation for orienteering within the Region, particularly in support of continuing success for the members of the East Midlands Junior Squad, support of and provision for coaching at all levels of expertise and experience, and for the training of Event Organisers, Planners and Controllers together with Mappers and Coaches. In the past year a successful Annual Volunteer Day was arranged in late 2011 by Pauline Olivant at Groby Community College with courses for Event Safety, Event Organisation and Event Planning being provided. In May 2012 Ranald Macdonald and Roger Edwards organised a Controllers and Event Officials Conference Day at Rushcliffe Country Park, with sections of the day being led by Dave Peel, David Olivant and Roger Edwards, and with all present being able to enjoy food and drink ably provided by Viv Macdonald - to those who organised and arranged and to all of those who took part - thank you.

Another major step forward has been the decision in the past year to review and re-structure the Constitution, with the majority of the work being undertaken by Ranald Macdonald, Roger Edwards, Roy Denney and Bob Haskins - hopefully by the time this Annual Report is formally presented at the 2012 AGM the new Constitution and the accompanying Standing Orders will have been positively voted into place by a quorate EGM and will be available for use in future years.

I would like to take this opportunity to say a final 'thank you' to all of the members of the Committee for their continuing support throughout what has been a momentous year as detailed in this Report, and managing as we all did without a Vice Chairman and without a Secretary, though the latter role was dealt with by myself and EMEWS Editor Mike Gardner. Hopefully there will be volunteers to take on the positions of the four new Officers as listed in the new Constitution, and that they, together with the members of the 2012-2013 Committee, will ensure that the activities of the Association and the membership will continue to maintain the reputation which we have outside of our Region for reliability, willingness to assist and advise, and being prepared to be at the forefront of new initiatives.

Last but not least, it has been an honour to be able to serve as your Vice Chairman for three years and then as Chairman for three years - I trust that I have been able to serve you all as well as possible throughout the past six years, and I can now look forward to watching the Association develop and grow further in the years ahead.

East Midlands Orienteering Association Development Plan 2011/12 – 13/14 (updated August 2012)

In accordance with the constitution, the objectives of the Association include "... to co-ordinate and develop the sport of orienteering within the East Midlands, and so to further the development and participation in the sport of orienteering".

This Development Plan has been drawn up to take forward those objectives. In order to fund the Plan, it was agreed by EMOA at its Committee meeting on 6 June 2011, that there was "a need to keep membership fees and levies at current levels supported by existing surpluses where necessary. Consider retaining three years' money as reserve (£7500)".

Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Unless otherwise stated, Local events offer entry on the day (EOD) to a range of colour coded courses with start times from 10:30 to 12:30. Some will provide a wider range of courses than others. Regional events provide colour coded within which age classes can be run. National events provide a range of age related courses and are normally entered in advance using a Standard Entry Form (SEF); entry on the day (EOD) will usually be limited and more expensive. Cheques payable to organising clubs given at beginning of details, if not specified.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.
