Cover - Thanks again to Ernie Williams for his cover. In this case a much more serious note as he collapsed and was rushed to hospital at the LOG event at Belton. He was kept in hospital for nearly a week but is now home and the doctors are investigating what caused the problems. On behalf of all EMEWS readers I am sure we wish Ernie a speedy recovery.

## **Report on East Midlands Meeting - 15<sup>th</sup> July 2013**

**Junior Squad** - As can be seen from the Treasurer's accounts an agreement was reached on how best to use the accounts and funds to support the Junior Squad.

**Informal Coaching** - The sessions provided by Dai Bedwell (mentioned in the last EMEWS and on club websites) seemed to go down well. This sort of coaching before an informal event seems to be a good format and clubs were recommended to try to set up more of this sort of coaching session.

**Treasurer's Report** - The treasurer provided the end of year accounts. These are provided elsewhere in EMEWS. In terms of event levies the income had been higher than expected as we had hosted a number of large events (Midlands Champs, CompassSport Cup Final and Eyam had done well). We should not expect to get as much next year as there are no large events planned. Overall, in terms of membership there was a slight decline in numbers. At this stage the accounts show a small deficit for the year (though had planned for a larger one).

The Treasurer then presented the proposed budget for 2013/14. All of the monies are costed based on the Development Plan. It has been assumed there would be a slight rise in membership fees, but no change in event levies. It was agreed to provide more money for grants to members as less funding was available from central sources. Overall, the final budget shows a deficit of £1,540. The next 2 years are then shown as having a deficit of £950. This is using up a lot of the development funding we have available and reducing the amount held in the accounts but the funding is being used to develop the sport.

5 members applied for grants to assist with their travel to training camps. All were provided with support from EMOA on the proviso that articles are written for EMEWS on their experiences.

**Night League 2013/14** - Most clubs are putting on some form of series of night events this winter. We would like to see some form of Night League take place across EMOA. However, at this stage each club has a slightly different format for their events. It is proposed that one of the actions for the new fixtures secretary is to come up with a proposed league structure that can be used this year.

### **Future Events:**

- (i) British Schools Champs 2013 - DVO - November 17<sup>th</sup> at Shipley Park
- (ii) East Midlands Champs 2013 - November 24<sup>th</sup> at Spring Cottage
- (iii) East Midlands Champs 2014 - Suggested for 6<sup>th</sup> April at Cademan Woods
- (iv) Midlands Champs 2014 - There were no takers from the East Midlands Clubs to host the Midlands Champs but NOC expressed a keen interest in hosting the 2016 Midlands Champs as it would be their 50<sup>th</sup> anniversary.
- (v) LEI stated they hoped to host the 2016 British Night Champs

**Development** - Ranald reported that the Planners and Controllers Day went well, in particular John Duckworth's presentation was well received (and repeated at DVO open meeting). It was

interesting to see some of the routes on route gadget even for the shortest legs. John's comment that you need to stick to the rules and the guidelines as they work was important to pass on. Ideally we want more folk to attend future events.

**Future of EMOA** - With the AGM coming up we did seem short of volunteers for the roles on the committee. Potentially all could be vacant. However, Ranald had looked at the constitution and proposed a resolution. The standing orders allow the committee members to hold a post for 3 years and state that after this they must stand down for a year. However, they also state that the East Midlands committee can amend this. Viv has agreed she would be willing to stay on as Treasurer as she now knew how to manage the role. With this in mind Ranald proposed we agree as a committee to amend the standing order for termination of the Treasurer role after 3 years. This was formally agreed by the committee and will be ratified at the AGM.

Ranald also stated he was willing to continue on as Development Officer (or, if appropriate, Chairman if someone else could be found to take on the Development Officer role). We also have a volunteer to take on the key role of Fixtures Secretary.

The new committee can then agree a revised schedule of meetings (even proposing virtual sessions if felt appropriate to reduce time), but it would be up to the new committee to propose changes. At this stage it was agreed to book the next meeting for Clifton Village Hall as everyone agreed was a central location.

**AGM** - The proposed AGM details are available elsewhere in this EMEWS along with the papers from the Treasurer. An additional mini-AGM EMEWS will be sent out shortly before the AGM to remind members to attend.

**Future Meetings** - All meetings to be held at the Pace Room, St Mary's Church, Clifton Village, Nottinghamshire at 7.30 p.m. The next meeting is the AGM which will be on 16<sup>th</sup> September at the same location. All members are able to attend the meetings, and encouraged to attend the AGM. A further meeting will be booked for the new committee on 21<sup>st</sup> October in same location.

### Future of EMEWS

As the future of EMOA Committee was discussed, it may also be time to discuss the future of EMEWS. When it started there were no club newsletters and the regional association was the key conduit of information to the clubs. Now, every club has their own newsletter, and that is where most articles are now written. The costs of EMEWS are negligible in terms of creating and circulating it, as it is now all done electronically. However, does it serve a purpose?

The key things I see it's role as is providing a regional view, providing a regional fixtures list, to let folk know what is going on at a regional level. However, much of this is also available on the website in one form or another.

Do folk still want the information EMEWS provides or should we stop producing it? Any views can be sent to the editor.

### **Risk Assessments and Events**

As you can see from the cover of this EMEWS, Ernie Williams was taken to hospital during the event at Belton Park and remained in Lincoln County Hospital for 5 days. We all wish Ernie a full and rapid recovery.

However, being Ernie, when folks visited him in hospital they discussed a number of items that came out of the events of the day which we may want to consider for all future events.

- 1) Location of the Risk Assessment - Although a full risk assessment was available for the event and was on site, trying to find it in a rush to get things like the phone number for the local ambulance, and details of the grid ref for the event proved difficult. It is recommended that the Risk assessment is located somewhere obvious and consistent during events. One recommended location was at the Download tent as that is the most likely place where incidents will be notified.
- 2) Another alternative suggested at the East Midlands meeting is that all Team Leaders have the key emergency information available on a laminated card so that should an emergency arise there is always someone with the information available.
- 3) As part of the Risk Assessment it may well be useful to have a postcode for the location of the event. In this case and in the case of the ambulance called to the DVO event at Longshaw, expect to have a postcode they can use to get the ambulance to the location of the incident (the call centre staff are likely to be in a totally different part of the country). If a postcode is used, know where that is and be able to get someone to the postcode location who can direct the ambulance in, or ensure that the details provided include road names and key landmarks. In addition, it is worth having someone always available who knows the locality and can direct the ambulance in on a mobile if necessary. In Ernie's case the ambulance crew believe they 'lost' 15 minutes trying to find the location of the event.
- 4) For those folk who are on medication or have any form of medical condition it is recommended that these details are carried with you at all times. It could be that you could have next of kin information, allergy information, medicines taken, blood group, etc. This could be on a small laminated card that maybe could fit in to a control card case. There are some sports where this is mandatory for all competitors. Should all orienteers carry this as a matter of course?
- 5) It is recommended that all 'O' Clubs arrange as a real priority a review of individual Club First Aid kit/box undertaken by a qualified Paramedic or sports orientated Doctor to ensure that it contains a suitable range of kit and some medicines, particularly a Glyceryl Trinitrate Spray, in case of suspected heart or supraventricular tachycardia incident, rather than just plasters and bandages for cuts and sprains.

**The 49th East Midlands Orienteering Association AGM**

**Notice is hereby given that the Annual General Meeting of the East Midlands Orienteering Association will be held at 7.30pm on Monday 16th September 2013 at the  
Pace Room, St Mary's Church, Clifton Village, Nottingham**

### MINUTES OF THE 48<sup>th</sup> ANNUAL GENERAL MEETING AND ASSOCIATED EGM OF THE EAST MIDLANDS ORIENTEERING ASSOCIATION HELD ON MONDAY 17<sup>th</sup> September 2012 at Clifton, Nottingham at 19.30.

**Present:** Ernie Williams (LEI) (in the Chair), Paul Beresford (NOC), Roy Denney (LEI), Roger Edwards (LEI), Derek Gale (DVO), Mike Gardner (DVO), Bob Haskins (LEI), Randal Macdonald (DVO), Viv Macdonald (DVO), Paul Murgatroyd (LOG), David Olivant (NOC), Pauline Olivant (NOC), Hilary Palmer (NOC), Chris Phillips (LEI), Roger Phillips (LEI), Ursula Williamson (LEI) and John Woodall (NOC)

#### EGM Minutes

**The EGM was called to agree the new version of the EMOA Constitution.**

Roy Denney (LEI) and Randal Macdonald (DVO) both talked about the new constitution and commended it to the attendees. The constitution was felt to provide the proper level of governance, while still protecting officials. Some discussion took place about what happened if there were no officers to fulfil the key roles in the committee. It was pointed out that the old constitution did not cover this, nor did the new one. However, the formal committee membership is much smaller, so it should allow quorate meetings to be easier to hold.

The attendees of the EGM voted unanimously to accept the new constitution, and thus the AGM was held under the rules of the new constitution.

### MINUTES OF THE 48<sup>th</sup> ANNUAL GENERAL MEETING

1. **Apologies for absence:** Apologies were received from Sean Harrington (LOG) and Peter Hornsby (LEI).
2. **Minutes of the 47<sup>th</sup> AGM held on Sunday 17<sup>th</sup> October 2011.** It was agreed that the minutes were a true record as proposed by Roy Denney (LEI) and seconded by Mike Gardner (DVO).
3. **Chairman's Report**

The Chairman's Report had been published in EMEWS prior to the meeting. It is reproduced here:

This, my final Annual report to the membership, is a review of the activities of the Association over the past year and I will be looking positively towards the future both within and outside of the Region.

Members are benefiting from being part of a flourishing Regional set-up as demonstrated by the well established East Midlands League and with the League Tables and League Awards being co-ordinated by Roger Williamson and, following Roger's untimely death, by Ursula Williamson, and the introduction of the East Midlands Urban League being co-ordinated by Paul Murgatroyd, together with the successful introduction and continuation of the Satellite Clubs project, the individual Club Summer and Winter Leagues, and the increasingly popular Club Activity Nights and Coaching Sessions throughout the Region.

Allied to the above is the developing co-operation between the Clubs and, aided by our Fixtures Secretary Ian Whitehead, the co-ordination of an increasing range of events be they local, regional and national. One major fixture which played an important part in the Region in the last twelve months was the CompassSport Cup and Trophy Final hosted by DVO at Longshaw last October and, in the coming months, two East Midlands Clubs will be playing a significant role in the 'Major Events' calendar with the Midland Night Championships being hosted at Spring Cottage on 3<sup>rd</sup> November closely followed by DVO hosting the East Midlands Championships at Eyam in just under three months on 25<sup>th</sup> November.

To say that 2013 will be a busy year for the East Midlands is an understatement, with the Midland Championships being held on 3<sup>rd</sup> February and hosted by NOC at Sherwood and, shortly after, the Regional Round of the CompassSport Cup and Trophy hosted by LEI at Fineshade on 17<sup>th</sup> February. Just weeks following 2013 JK there is the Elite and Age Class Weekend with the British Sprint Championships at Loughborough University on 20<sup>th</sup> April being hosted by LEI and the British Middle Distance Championships at Stanton Moor on 21<sup>st</sup> April being hosted by DVO. LOG will be hosting the Yvette Baker Trophy Final on 7<sup>th</sup> July at Belton Park and, later in the year, DVO are hosting the British Schools Championships at Shipley on 17<sup>th</sup> November.

Looking even further forward, there is every possibility that EMOA and the East Midlands Clubs will be asked to make a significant contribution, as we did in 2004 at the JK in the Lake District, at JK 2014 in South Wales.

Precisely what we will be asked to do and where is not yet known at the time of typing (late August) but I am sure that the membership of EMOA will once again rally round in support of WOA to create a successful and memorable four day JK at Easter time.

Little could be achieved without your Association having a sound financial footing and your Association has been, and hopefully will continue to be, guided by Viv Macdonald as Treasurer, who led a thorough review of financial income and expenditure, the funding of the Satellite Clubs, and the awarding of grants to EMOA members, for which we offer our thanks. All of this work was linked to the review of the existing EMOA Development Plan and your Committee, after intensive discussion, have agreed a new Development Plan for the next three years which will act as a secure foundation for orienteering within the Region, particularly in support of continuing success for the members of the East Midlands Junior Squad, support of and provision for coaching at all levels of expertise and experience, and for the training of Event Organisers, Planners and Controllers together with Mappers and Coaches. In the past year a successful Annual Volunteer Day was arranged in late 2011 by Pauline Olivant at Groby Community College with courses for Event Safety, Event Organisation and Event Planning being provided. In May 2012 Ranald Macdonald and Roger Edwards organised a Controllers and Event Officials Conference Day at Rushcliffe Country Park, with sections of the day being led by Dave Peel, David Olivant and Roger Edwards, and with all present being able to enjoy food and drink ably provided by Viv Macdonald – to those who organised and arranged and to all of those who took part – thank you.

Another major step forward has been the decision in the past year to review and re-structure the Constitution, with the majority of the work being undertaken by Ranald Macdonald, Roger Edwards, Roy Denney and Bob Haskins – hopefully by the time this Annual Report is formally presented at the 2012 AGM the new Constitution and the accompanying Standing Orders will have been positively voted into place by a quorate EGM and will be available for use in future years.

I would like to take this opportunity to say a final ‘thank you’ to all of the members of the Committee for their continuing support throughout what has been a momentous year as detailed in this Report, and managing as we all did without a Vice Chairman and without a Secretary, though the latter role was dealt with by myself and EMEWS Editor Mike Gardner. Hopefully there will be volunteers to take on the positions of the four new Officers as listed in the new Constitution, and that they, together with the members of the 2012-2013 Committee, will ensure that the activities of the Association and the membership will continue to maintain the reputation which we have outside of our Region for reliability, willingness to assist and advise, and being prepared to be at the forefront of new initiatives.

Last but not least, it has been an honour to be able to serve as your Vice Chairman for three years and then as Chairman for three years – I trust that I have been able to serve you all as well as possible throughout the past six years, and I can now look forward to watching the Association develop and grow further in the years ahead.

At the meeting, Ernie brought up the fact that since writing the report EMOA had agreed to assist in the organisation of JK2014. There was some discussion on the exact involvement for EMOA at the meeting.

The meeting formally accepted the Chairman’s report.

#### 4. **Secretary’s Report including activity statistics.**

As we have no secretary, there is no formal secretary’s report. Ernie stated he would publish a report in EMEWS later which would cover number of controller, number of courses held, and number of satellite clubs.

#### 5. **Treasurer’s Report including membership numbers and presentation of accounts.**

Copies of the Report were circulated via EMEWS 243 and at the meeting.

The Treasurer reported that Event Levy income had been fairly constant. Of 20 events at level C, only 6 had used an area used the previous year. Overall membership numbers were very slightly down from 838 to 802 and units down from 477 to 464.

The year end Income and Expenditure Report showed a similar income from event levies and also a similar income from membership. The overall income which now does not cover the satellite club funding shows income of £7,204 and expenditure of £7,075, a nominal ‘profit’ of £129.

The Independent Financial Examiner had confirmed that the Income and Expenditure Report and the Balance Sheet were a true and fair statement of the finances of EMOA. Andy Lucas was thanked for undertaking this task.

**6. Approval of Balance Sheet and Income and Expenditure Statement**

Acceptance of the Report, balance sheet and income and expenditure statement was proposed by Roy Denney and seconded by Chris Phillips.

**7. Election of Principal Officers**

This took place under the new constitution.

Post	Proposed	Proposer	Seconder	Outcome
Chairman	John Woodall	Ranald Macdonald	Roy Denney	Elected
Vice Chairman				Vacancy
Financial Secretary	Viv Macdonald	Ranald Macdonald	Chris Phillips	Elected
Development Co-ordinator	Ranald Macdonald	Roy Denney	Chris Phillips	Elected

All of the new officials pointed out that they were standing for one year only. The East Midlands clubs need to help develop a succession plan by encouraging others to volunteer for these roles next year.

The signatories to the bank account will therefore be the Chairman and the Financial Secretary.

**8. Election of Other Officers**

The only other officers on the committee in the new constitution are the club reps. The delegates and other roles will be identified by the new committee at their next meeting and then advertise them to the membership in EMEWS after that meeting.

**9. Appointment of Independent Financial Examiner.**

Viv Macdonald agreed to ask Andy Lucas if he would perform the role again next year.

**10. Budget projections and Fixing of Charges**

The Treasurer presented a project 3 year budget to align with the 3 year development plan. The main proposed changes were to remove the £25 excess from level C EMOA events, to subsidise the junior squad to £1,000 (which had been agreed with the junior squad co-ordinator), an increase in EOC grant as this was no longer funded by British Orienteering, and a rise in money put aside for grants.

There was then a lot of discussion on the budget and the associated membership fees (see below).

The Treasurer agreed that after the meeting they would update the budget and re-publish it in EMEWS.

**11. Fixing of Charges.**

(a) Membership fees: The meeting agreed with a proposal to do the following:

Remove the Family membership fee in line with British Orienteering

Reduce the Senior membership fee to £2

Maintain the Junior membership fee at £1.

Maintain the Associate membership fee at £10

Maintain the Club membership fee at £15.

This was proposed by Derek Gale and seconded by Ursula Williamson. The fees set out above were voted on with 9 in favour, 2 against and 4 abstentions. Therefore these fees were passed.

(b) Event levies: The meeting agreed with a proposal to retain the event levies at their current rates. That is 40p per adult and 10p per junior with the first £25 being exempt. This was proposed by Roy Denney and seconded by Roger Edwards. The levies set out above were voted on with 10 in favour, 2 against and 5 abstentions. Therefore the levies were passed.

(c) Electronic equipment rental fees: All electronic equipment now resides with the clubs. In order to finalise the situation it was agreed that the permanent loan situation should now formally be changed to state that the equipment now belongs to the clubs. This was agreed unanimously by all present and formally proposed by Chris Phillips and seconded by Hilary Palmer.

**13. Plans for the coming year.**

Ernie Williams drew attention to the following:

(a) An Annual Volunteer Day was again planned. There is also a need for a controller's course which may take place on the same day (or not). There is also planned to be a further Planners/Controllers session (which will concentrate on experienced planners / controllers).

- (b) There are a wide range of events planned for the East Midlands across all the clubs in 2013.
- (c) The East Midlands League continues to do well and has now been joined by the Urban League (thanks going to Paul Murgatroyd for assisting in setting this up).
- (d) We seem to have a flourishing region and thanks go to all involved in running the region and the clubs within the region.

**14. Any Other Business**

John Woodall thanked Ernie Williams for his 3 years as Chairman and previous 3 years as Vice-Chairman of EMOA.

There being no further business the Chairman thanked all present for their attendance at the 2012 AGM and declared the meeting closed at 21.30.

The meeting was closed and an open discussion took place on topics such as urban league events for next year.

## Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Unless otherwise stated, Local events offer entry on the day (EOD) to a range of colour coded courses with start times from 10:30 to 12:30. Some will provide a wider range of courses than others. Regional events provide colour coded within which age classes can be run. National events provide a range of age related courses and are normally entered in advance using a Standard Entry Form (SEF); entry on the day (EOD) will usually be limited and more expensive. Cheques payable to organising clubs given at beginning of details, if not specified.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.
