## **Report on East Midlands Meeting – 3<sup>rd</sup> April 2017**

**Urban League Events** – The UK Urban League did introduce a new class of Hypervets (M/W75+) which was run at Belper. After discussion with Paul Murgatroyd who runs the EM League it was felt it was not appropriate at this time to introduce this class in to the EM League. This will be reviewed in November to see if it should be included next year.

**Contactless Dibbers** – The current status is that Events and Competitions Committee had recommended that if events have contactless dibbers (as well as normal dibbers), then they must always provide a number of contactless dibbers for hire. However, this does not apply to level D events.

**Mapping Workshop** – Dave Olivant is planning to put on two half day workshops, one on forest mapping and one on urban mapping later this year. These are aimed at experienced mappers.

**Women in Orienteering** – The survey of women's participation in orienteering findings are now available on the BO website at the following [link](#).

**Membership Numbers** – When reviewing the treasurer's report, at present we seem to be 10% down on membership compared to last year. We may want to investigate further if this is still a problem in a few months.

**Planners & Controllers Conference** – John Hurley thanked Chris Phillips for organising the Planners & Controller conference on 4<sup>th</sup> March. Around 32 folk attended.

**Regional Training Day** – Once we have a new Development Co-ordinator they will need to start planning the Regional Training Day for 2018. At present it is thought we will need a Planners course, Controllers course and Organisers course.

**Coaching** – It has been 2 years since we had run a formal Coaching Course in EMOA and Hilary Palmer is looking at running a course in the near future. She asked clubs to see if there was a demand for this.

**Junior Squad** – See short report on Training Day in Lakes elsewhere in EMEWS.

**Junior Inter-Regional Champs 2018** – DVO will put on the 2 events and book the accommodation. Plan A is to use Chatsworth for the individual and Carsington for the Relays. However, Chatsworth estate will not commit until June so we have to wait until then to see if we get permission. Plan B will be Carsington for the individual and Hardwick for the Relays. A detailed budget has been received from DVO as they felt they needed EMOA to assist with the Finances (as it is a regional event). It was agreed that EMOA would do this once the budget had been reviewed by the Officers.

### **Future Events:**

- (i) **18 March 2018** – Midland Champs 2018 – LEI Belvoir – LEI looking to make a weekend events and this to be a UKOL event.
- (ii) **17 March 2019** – CompassSport Cup Heat – NOC – Sherwood Pines

### **Future Possible Events**

- (i) **2018 - EM Score Champs** - DVO are currently looking to host this alongside JIRCS 2018.
- (ii) **East Midlands Champs 2018** - This was scheduled to be held on 11th Feb but that event has been cancelled, so the new proposal is to use 16<sup>th</sup> Dec 2018 at the Dukeries.
- (iii) **Junior Inter-Regional Champs 2018** - DVO hosting
- (iv) **British Sprints / Middles 2019** - LEI / DVO - There is discussion at BO Board level as to whether the JK should incorporate all of the British Championship events in to a single weekend in the future. It may be that the events will not be required as a separate weekend with a decision due in August 2017, but for now we need to progress as if it will be required
- (v) **East Midlands Champs 2019** - A club needs to volunteer to host this.
- (vi) **Junior Home International 2020** - It is EMOA's turn to host. Do we have any clubs willing to host this?
- (vii) **Midland Champs 2020** - DVO
- (viii) **CompassSport Cup Final 2021** - Are EMOA interested in hosting?
- (ix) **British / British Relays 2021** - North Wales has proposed some areas which could be used. EMOA need to decide if this is a practical proposition (also see comment against Sprints / Middles).
- (x) **Midland Champs 2022** - NOC

**Level B Event Planners & Organisers** - There will shortly be a change to Appendix C under which Associations will become responsible for approving Planners and Organisers for level B events. Clubs should send details to EMOA Committee with mini-CV of the proposed officials.

**Local Park Events** - Both DVO and NOC are trialling a series of events in local parks. DVO are trying Saturday afternoons, and NOC are using Facebook web adverts to attract attendance. The first event in both leagues appeared to be well attended.

**BO Strategic Plan** - This came out immediately after our last committee meeting. John Hurley had collated feedback and sent in to BO.

**BO/EMOA 50<sup>th</sup> Birthdays** - 17<sup>th</sup> June is the official date of the British Orienteering. This coincides with the NOC Sprint event so they may want to see if they can draw that in to event publicity. In addition March 2018 will be 50<sup>th</sup> anniversary of EMOA and we have the LEI event at Belvoir (again may want to have publicity around this fact for the event).

**EMOA Trophies** - We need to review the current state of the trophies and decide if any need to be replaced, repaired.

**Dates and venues for future meetings** - All meetings to be held at the Pace Room, St Mary's Church, Clifton Village, Nottinghamshire at 7.30 p.m. The next committee meeting is scheduled for Monday June 19<sup>th</sup> 2017. The EMOA AGM is scheduled for Monday September 18<sup>th</sup> 2017.

**EMOA Officials** - All 4 of the occupants of the elected posts in EMOA will have reached their 3 year (or in some cases more than 3 year) period. We do need volunteers for these posts for the AGM. Please can all members consider volunteering to be part of the committee.

### **East Midlands Junior Squad**

The East Midlands Junior Squad enjoyed a training weekend in the Lake District on March 4th/5th. Training exercises took place in four challenging areas in the vicinity of Conistone. Thanks are due to the coaches and car drivers who made this weekend happen, and to Ben Windsor for allowing us to show you these photographs of the juniors at the training weekend.

## National Forest Report

Last spring the National Forest became a charitable trust and a lot of endeavour this year has been in bedding that in. They are also playing a major role with a lottery bid for funds to enhance and protect the Charnwood Forest.

This year's funding has seen what may be interesting projects from an orienteering point of view. Some are add-ons to existing areas but there is a new one of about 140 acres the location of which cannot be disclosed at present. In addition the Forest Enterprise are to plant up nearly 50 acres between Poppy Wood and Robin Wood. The Forestry Commission locally have a new recreation forester, Kelly Brindley.

As for Charnwood Forest, in my role on the Local Access Forum and as a board member of the Charnwood Nature Partnership, I have been working for some time to create a Charnwood Forest Regional Park. I am now part of a development group working with the local authorities and the National Forest Company which shortly is to submit a bid for lottery money of several millions to protect and enhance the area.

From our point of view I wish to see smaller areas of access joined up and better path networks linking them.

Within the Forest they are devising a new long term plan which will focus on access and recreation and it all stands us in good stead as a sport.

## Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Details on entry are normally available on the club sites. Unless otherwise stated, Local events offer entry on the day (EOD) to a range of colour coded courses with start times from 10:30 to 12:30. Some will provide a wider range of courses than others. Regional events provide colour coded within which age classes can be run. National events provide a range of age related courses and are normally entered in advance.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.
