I will then get the next edition out in early February 2025.

Cover - Thanks again to Ernie for the cover. He commented "The orienteers taking part in the DVO East Midlands League Event at Calke Park in September had the chance, depending on route choice, to pass by and get very close to the 1,000-year-old 'Old Man of Calke' the oldest tree in the Park, and one of the oldest trees in the East Midlands. A tree has to be six metres in circumference to earn the title of veteran, whilst this ancient Oak Tree is over ten metres in girth and could be as old as 1200 years - either way it will have been in place, growing well and standing strong, when the Battle Of Hastings was fought on the 14<sup>th</sup> October in 1066!"

## Notes from EMOA Meeting – 4<sup>th</sup> November

**Volunteer Required** - We are still short of a Vice-Chair on EMOA committee. Could members please consider stepping forward and helping out. Please ask any of the EMOA Officers for details of the role )there are only around 5 meetings a year and we do many of them on zoom).

**Financial Secretary Report** - Finances appear to be in line with expectations with event levies slightly up on last year for same number of events. The change to the bank mandate to get new signatories approved (the 3 principal officers we currently have plus the secretary) has started (This required a number of formal notices to be made in the minutes.

**JK Finances** - Following on from JK 2024, EMOA has received a sum of money to be distributed to the clubs. It seems there had been no formal agreement in place as to how this money should be distributed so a formula based on number of helpers per day is being developed.

### Development -

#### **Officials Training Day 2024** (Saturday 12<sup>th</sup> October)

- Organisers course - 5 attendees plus tutor (Chris Phillips)
- Planners course - 7 attendees plus tutor (Mike Gardner)
- Controllers course - 5 attendees plus tutor (Ranald Macdonald)
- Mapping Workshop - 8 attendees plus leader (David Olivand)

The day seemed to go well and have had some good feedback.

#### **Development Projects**

##### Firm Applications for Funding

- None currently in progress

##### Club-funded development projects

- DVO/24/3      MapRuns 2024/25/26. DVO have been awarded a Sport England grant which will fund most of the costs of 36 MapRun events over the next two years,

which are to be co-ordinated by the Club Development Officer with the aim of attracting new participants from running and other sporting clubs.

- DVO/24/4      MapActive courses and level D events 2024/25. DVO have been awarded a grant from the Orienteering Foundation, delivered in 2 tranches, the second conditional on demonstrating delivery of phase 1. This grant covers 2 MapActive courses, a Level D programme of 10 events and a Navigation festival for newcomers at Hardwick or a similar venue
- NOC/24/1      MapActive. Learn advanced mapreading skills applicable to a range of outdoor activities, and practice them at an orienteering event.

### **EMOA Officials Conference 2025**

Normally we alternate between an Officials Training Day and an Officials Conference each year, so in 2025 we should be looking to put on an officials conference. What topics would members want covered?

In the meeting it was suggested that:

- the details for the Very Short Green course (Hilary Palmer has provided an article on this for EMEWS below)
- Course lengths and getting them right for all competitors.
- Land access policies

Are there other topics you want to see covered? Please let John Hurley know of any topics you feel need to be discussed by EMOA Officials.

**Coaching** - Chris Millard (DVO) has now completed the new Orienteering Coaching Qualification. Andy Simpson (LEI and EMJS Coach) is well under way in completing his qualification.

**EMJOS** - See reports below.

**Fixtures** - The League and Urban League are covered separately in EMEWS.

- **EMOA Forest League 2024** - The prizegiving will be at the LOG Lincoln South Common event on 9<sup>th</sup> February (provisionally at 10:00)
- **EMOA Urban League 2024** - The prizegiving will be at the DVO Derby City event on 1<sup>st</sup> January at 12:00 (alongside the raffle!).
- **EMOA Forest League 2025** - The events to be included at this stage are shown below:
  - a. 19<sup>th</sup> January - LEI - Hanging Hill and Boothorpe
  - b. 9<sup>th</sup> February - LOG - South Common
  - c. 1<sup>st</sup> March - DVO - Birchen Edge and BUCS Individual
  - d. 23<sup>rd</sup> March - NOC - Silverhill Woods (also proposed as the YBT Heat)
  - e. 13<sup>th</sup> April - NOC - Ollerton Pit West
  - f. 25<sup>th</sup> May - LEI - Irchester
  - g. 1<sup>st</sup> June - DVO - Carsington Pastures
  - h. 19<sup>th</sup> October - LEI - Burbage Common
  - i. 16<sup>th</sup> November - NOC - Wellow

- j. 23<sup>rd</sup> November - DVO - Cromford Moor
- k. 30<sup>th</sup> November - LEI - Beacon Hill
- l. 21<sup>st</sup> December - NOC - Strawberry Hill
- m. 28<sup>th</sup> December - LEI - Martinshaw

13 scoring events with best 7 to count

- **EMOA Urban League 2025** - The events to be included at this stage are shown below:
  - a. 1<sup>st</sup> January - DVO - Chester Green, Derby
  - b. 22<sup>nd</sup> June - DVO - Wirksworth
  - c. 12<sup>th</sup> July - NOC - The Meadows (EuroCity weekend)
  - d. 13<sup>th</sup> July - LOG - Lincoln (Eurocity race)
  - e. 10<sup>th</sup> August - LEI - Lutterworth
  - f. 21<sup>st</sup> September - LEI - Hamilton
  - g. 28<sup>th</sup> September - NOC - Retford
  - h. 12<sup>th</sup> October - LOG - TBA

8 scoring events with best 4 to count

After discussion at the meeting and comparison of this year's scoring system which used just EMOA members, and previous year's scoring system that used all competitors, it was agreed we would revert to the old scoring system (which is easier to administer and also allows none-EMOA members to see where they are in the league, even though they are not eligible for the end of year prizes).

- **Future Major Events**
  - a. **16 Feb 2025 - EMOA Champs** - LEI - Ratby and Martinshaw
  - b. **23 Feb 2025 - CompassSport Cup Heat** - NOC - Clumber
  - c. **12 Jul 2025 - EuroCity Day 1** - NOC - Meadows Area
  - d. **13 Jul 2025 - EuroCity Day 2** - LOG - Lincoln
  - e. **7 Sep 2025 - Midland Champs** - DVO - Chinley Churn
  - f. **15 Feb 2026 - East Midland Champs** - DVO - Longshaw or Chatsworth
  - g. **2027 - CompassSport Cup Heat** - DVO
  - h. **7 Feb 2028 British Nights** - LEI
- There was a lot of discussion on whether the EMOA Champs should use the BOF recommended course / class combinations as shown in the Rules (Table 8.6 on page 62), or use a modified version to reduce the course lengths for some competitors. It was agreed that the course combinations proposed by Chris Phillips before the meeting would be used for the 2025 championships at Ratby. However, a questionnaire would be circulated during / after the event to get competitors feedback on this. The table below shows the courses that are to be used for this year's championships and to the right the BOF Rules classes (Note: Black is not always possible in all areas and in this case Brown will be used for M21 as well).

|        | EMOA Champs This Year |       | BOF Rules Classes |       |
|--------|-----------------------|-------|-------------------|-------|
| Course | Men                   | Women | Men               | Women |
| Black  | M21                   |       | M21               |       |
| Brown  | M20; M35; M40         |       | M20; M35; M40     | W21   |

- The ESG felt that there ought to be a weekend of events to go with the Midland Champs on 7<sup>th</sup> Sept 2025. They wanted to see an event on 6<sup>th</sup> Sept to go with the current event. DVO did not feel could put on another event, so it was agreed that LEI would look at whether they could move their Hamilton Urban event from 21<sup>st</sup> September forward to 6<sup>th</sup> September.
- There may be a requirement to host the Midland champs 2027 as East Anglia are having problems with access currently.

**Next Meeting** - The next EMOA Committee meeting will be via zoom on 27th January 2025.

### **The Very Short Green Course .....**

**.... Is coming to the EMOA League next year. Why? What is it?**

By Hilary Palmer (NOC)

As one of the 'elderly' orienteers in the region and with my club's 'Welfare Officer' hat on, I have taken an interest in the planning of the short adult courses over the past year. 'Welfare' to me doesn't just mean 'safeguarding' - it encompasses all aspects of the welfare of the competitors and volunteers.

As we get older many of us find that our stamina and flexibility are less strong. Perhaps an illness or injury may also contribute to us wanting to do a shorter course which is physically less demanding whilst still being interesting and challenging.

So, the Very Short Green (VSG) course came into existence a few years ago and there have been many events this year which have included the VSG so as to trial the idea before being included in the EMOA League in 2025.

Here's what the British Orienteering Rules say about the three TD5 Green courses Rule 8.6

## EMEWS

|                  |      |         |   |            |                          |              |                      |
|------------------|------|---------|---|------------|--------------------------|--------------|----------------------|
| Green            | 0.39 | 3.5-5.0 | 5 | M75        | W60<br>W65               | M60S         | W18S<br>W40S<br>W45S |
| Short Green      | 0.33 | 3.0-4.0 | 5 | M80        | W70                      | M65S         | W50S<br>W55S         |
| Very Short Green | 0.28 | 2.5-3.5 | 5 | M85<br>M90 | W75<br>W80<br>W85<br>W90 | M70S<br>M75S | W60S<br>W65S<br>W70S |

The ratio down from a 'Black' course and the max/min length is given in the table for Long Distance course planning but this is just the 'bare bones' of the VSG. Don't forget that these lengths should be corrected for height gain of 0.1km for every 10m of climb (Rule 8.5.9)

I sometimes wonder if planners and controllers have read Rule **2.6: Planning for seniors**. There are three important points:

**2.6.1** Older orienteers are technically just as capable as the M/W21 competitors. It is therefore totally inappropriate to combine their courses with the technically easier junior courses just because the recommended course lengths are similar, unless the terrain prevents courses of high Technical Difficulty being set.

**2.6.2** Any restriction on their physical ability relates largely to speed in the terrain and in particular the ability to cross rough ground. One result of this is in the interpretation of the phrase 'control sites far from obvious re-locating features'. A control that may not be considered far from an attack point or obvious relocating feature by an M21 competitor may impose a significant time penalty for a W65 who has to return to the attack point and make a second approach.

The third point is probably the most important and planners should think about older or less physically able competitors.

**2.6.3** Planners need to remember that elderly and/or infirm orienteers have difficulties crossing rough ground - going up and down steep slopes; scrambling over boulder fields and rocky ground; getting into and out of steep sided hollows, gullies, streams, etc; pushing through dense vegetation with low branches; and climbing over fences and stiles. Some competitors use a stick for balance which can also make movement more awkward in the terrain. Hence, as far as possible, such obstacles should be avoided/minimised on their courses.

Recently I have come across terrain with boulders underfoot concealed by undergrowth - hard for anyone to run over let alone someone described above!

## EMEWS

Sturdy stile with 12" ruler (yellow) for scale.

Can you 'hop over' a low fence or a stile?

Most people can but others have great difficulty

At a recent event I arrived close to a control in a re-entrant and looked down. An older woman was struggling with a stick. It doesn't look very steep on the map, but it was a very steep, grassy slope to the north of the crag and she was struggling. A W80+ told me later that she was luckier, a younger, fitter man was coming back up from the control and he took her SI card and in under 10 seconds he had run down, punched and run back up again. OK, that's strictly against the rules but why was that control on the VSG course? (and anyway, it wasn't the British Championships!)

### EMJOS May to November 2024

#### Training, events and JROS Camps

This year Eoin took part at his first JROS camp at Laganlia - really throwing himself into the week's activities and making new friends.

Ellie travelled out to the Czechia camp to experience a very different terrain to that of the East Midlands and Scotland. She will also be attending the Hawkshead JROS weekend in the Lakes at the end of November.

Early 6<sup>th</sup>&7<sup>th</sup> September an East Midlands combined team entered the Peter Palmer Relay (night/day 4 leg Day Break Bowl, Cockermouth West Cumbria) -see the write up by the juniors from LOG, DVO and LEI, in EMEWS and the report by an orienteering-Dad in NEWSTRACK (DVO newsletter).

JIRCS 2024 (28<sup>th</sup> & 29<sup>th</sup> September) Individuals in the Forest and Dean (Mallard's Pike) and Relays at the accommodation on the Mendip Hills Somerset - a small team of 6 athletes competed, with our final position being 11<sup>th</sup> from 12 regions. Our front runners on the individual day were Ellie and Eoin (LEI) who both came 7<sup>th</sup>. Our Women's relay team (Ellie, Cara, Hannah) came 9<sup>th</sup> and the Men's (Eoin, Imogen, Josh) 23<sup>rd</sup>. For such a small number of runners compared to the big squads that fielded a full 24 runners, we did very well.

November Classic New Forest training weekend away with West Midlands Junior Squad (Interland competition in Holland, selection race top 14yo and older, Nov 3<sup>rd</sup>). It was an ideal training session in Bramshaw Woods on the Saturday to hone the compass bearing skills on very clear terrain. We had 6 EM and 9 WM juniors and many adult coaches and top orienteers assisting Andy Simpson (LEI) with another one of his coaching sessions.

The competition courses on the Sunday were long and demanded the use of the compass to run on a bearing, with the footpaths not always obvious with the leaf fall.

### Future training and events

17<sup>th</sup> November is NOC Shirebrooks event where EMJOS will be selling cakes and hot drinks.

15<sup>th</sup> December training - fun session with WMJS at LEI Outwoods event.

Teaming up with NOC club for their planned training in Sherwood Forest.

Joining up with neighbouring squads will probably fill the calendar in the spring.

EMJOS are now actively taking juniors in the region who are at Orange level, in an attempt to coach them and give them practice sessions for the skills needed for the harder courses when they move up age classes (14, 16 and 18 years old Light Green to Brown).

Ann-Marie Duckworth EMJOS coach and coordinator, Andy Simpson and Toni O'Donovan.

## Junior Inter Regional Championships 2024

Written by the East Midland juniors in the minibus returning home.

Our trip to the Junior Inter Regional Champs (JIRCs) was great fun. The minibus journey there was long however we made the most of the time by playing card games, listening to music, and in Ellie's case, sleeping! There was plenty of giggling in the dorm rooms and time spent cheering on our team mates. It was a great opportunity to bond with the other juniors and, even though we were the smallest squad there, our tall EMJOS flag definitely made us stand out.

The individual day was held at Mallards Pike in the Forest of Dean. The competition area was mostly made up of runnable forest with some areas of dense undergrowth. The complex network of ditches provided an amazing technical challenge while the overall gentle contours provided a fast area with a vast path network aiding navigation. On the whole the individual event was an enjoyable experience and posed a challenge to all.

## EMEWS

---

After the individual we drove to the accommodation in the Mendip Hills. We were put in rooms with the East Anglian juniors in the lodge. As soon as we got there it was time for dinner. We had sausages and mash followed by donuts. After the prize giving, we enjoyed a night full of music and dancing at a ceilidh organised by some of the Scottish juniors. It was organised chaos but, after Ellie dragged us up, everyone thoroughly enjoyed the night.

We woke early on the second day ready to compete in the relays [first race start 8:30am!]. After a buffet style breakfast with cereal, toast and other things it was soon time for the relays to start. In the girl's class we had Ellie, Cara and Hannah running and in the boys/open class it was Eoin, Imogen and Josh. We were really pleased with our great teamwork in the relays with lots of cheering for our team mates as they ran up the big uphill finish. We all completed our courses with no disqualifications and neither of the teams needed to use the mini-mass start. We then refuelled with a lunch of baguettes, crisps, chocolate bars and fruit.

After the relay all the teams stayed for the prize giving before setting off home to all parts of the UK. This year the team had a great set of results finishing 10<sup>th</sup> of the 12 regions, despite having the smallest team of any region. We were also 3<sup>rd</sup> of 5 teams in the small region category.

In the individual Eoin and Ellie had good runs, both coming 7<sup>th</sup> in M14 and W16 respectively. Cara and Imogen made great starts to their EMJOS journeys, coming 20<sup>th</sup> and 29<sup>th</sup> in W14. Hannah finished 16<sup>th</sup> in W18 in her last JIRCs individual race and Josh wasn't feeling 100% and so cut his run short to save his legs for the relay.

In the relays our girls team pushed hard through the tough terrain, with all having great runs, to finish in 9<sup>th</sup> place. In the boys relay our team of Eoin, Imogen and Josh also did really well to finish in 23<sup>rd</sup>.

Over the 2 days there were some great results, especially from the new members, Cara and Imogen. A huge congratulation to all 6 members.

In conclusion, the weekend was really enjoyable and a great experience of Southern terrain. It was a brilliant way to get to know people from other regions and to make new friends or socialise with old friends. If you are between the age of 12 and 18, please consider if you would like to participate next year as we'd love to take a bigger team to JIRCs in 2025 in the Lake District.

### **Peter Palmer Junior Relays**

Juniors from the East Midlands (Josh, Imogen, Jessica and Cara) entered the Peter Palmer

Relay 2024 "EMJOS Sprinters"- this year was hosted by WCOC on the northern hills near Cockermouth in the Lake District. The full 6 leg relay starts in the dark at 5am, but the Daybreak Bowl has 4 legs and is aimed at those with little night navigation as it should be light at the start (the name gives it away!).

The long trip to compete in the Daybreak Bowl Relay was filled with many memorable moments including icecream and a gentle stroll near Loweswater to stretch our legs. Thanks to Hywell and Ann-Marie for driving us there.

The organiser arranged for everyone to sleep in tents in the adjacent field - made interesting by a funny mishap as the local Scouts had accidentally put the tent inner in backwards, causing a bit of confusion and laughter as we tried to figure

out the mess.

Whilst it was still light we all had a tasty tea from the Fish and Chip van that visited the field and went and had a good look at the run through and change over pen layout.

On the Sunday morning we all woke up early (4:30am) - much earlier than any of us are used to, so we could watch the start of the PPR. All of the competitors were wearing head torches and we could see their lights spreading in all directions around the hill. It was interesting to watch and enhanced by the commentary van being linked to GPS tracking bricks that we had in our pockets [Thanks to Orienteering Foundation for paying for this].

Half the team had never run a relay and were very nervous, but we all found the navigation easy enough although the steep hill at the start was hard work. We all enjoyed taking part and were pleased to get back to the finish (no miss punches) and hand over. Cara on the final leg was pipped to 4<sup>th</sup> place (2 seconds) after racing with AIRE Hares for most of her course.

We all eagerly participated in the race, racing up the steep hills and avoiding the sheep, and cheering each other on. Our spirits were high with excitement. It was a weekend full of a blend of laughter, adventure and the kind of moments that stay with you for ever.

### Editorial

Firstly, an early merry christmas to all EMOA orienteers.

One thing I have been doing recently is trying to ensure I have a history of all of the EMOA information. I have managed to find the names for almost all of the officers and their roles going back to 1968/69. I have also managed to get the club reps on the EMOA Committee to at least 1981/82 (in some cases I have some names earlier than this). If anyone has any information for those earlier times could they send me the details through.

I also seem to have all the minutes of EMOA meetings going back to 2011. Again, if anyone has any copies of minutes from earlier meetings could they let me have them. I will try to then ensure we have a complete history available going forward. Thanks.

Answer to EMEWS Puzzle 293.

[illegible]

This month's puzzle:

This month I am providing another Hanje puzzle. The grid is below:

[illegible]

---

## EMEWS

---

Basically, you need to colour in the squares in the grid to form a picture. The numbers tell you, in order from top or left, the number of coloured squares in each block. Each block of coloured squares is separated by at least one white square. So, for instance, if you see 2 6 in a row then this means that row has possibly white squares, then 2 coloured squares, followed by a number of white squares, followed by 6 coloured squares and, possibly, more white squares at the end. The result should be a picture. I will have the answer in the next EMEWS.

Hint: Start with the larger numbers as you can begin to start to fill in the grid that way. Don't forget to look both horizontally and vertically.

## Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Details on entry are normally available on the club sites. Unless otherwise stated, Local events offer entry on the day (EOD) to a range of colour coded courses with start times from 10:30 to 12:30. Some will provide a wider range of courses than others. Regional events provide colour coded within which age classes can be run. National events provide a range of age-related courses and are normally entered in advance.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.

**Many events are currently pre-entry only, so please check the event details before travelling.**
