4.	Actions Outstanding from previous minutes (not covered elsewhere)	
	a) Mike Gardner has contacted John Cooke about adding age class to the East Midlands League (Post meeting	
	note: John has now implemented this on the website). b) Amanda Roberts talked to Paul Murgatroyd about including Hypervets in EMOA Urban League, however	
	Paul did not believe it should be included currently. The EMOA committee felt that there were reasons for	
	including it as soon as possible. These included:	
	a. What do we expect competitors to do when EMOA Urban events are in the National Urban League	
	where this class is included (2 of the 8 events are in this position)? We are basically forcing	
	people to choose whether to compete in one or the other, they can't do both.	Mike Gardner to speak to
	b. M75 competitors do not want to run course 4. They want to run a shorter course.	John Cooke.
	c. There is no need to create a new course for the organisers as we are just moving competitors to	,
	an existing course.	
	d. There seem to be a number of competitors now wanting this course (and likely to be more each	
	year).	
	e. Amanda to go back to Paul with these points.	Amanda Roberts to talk to
	c) Ann-Marie Duckworth purchased a gift for Sarah Pennell. Sarah has replied with a thank you note, and	Paul Murgatroyd about
	also thanked EMOA Committee for supporting the event.	including Hypervets in
	d) LOG event on 18th August had been defined as level B. It was agreed to leave it this way.	EMOA Urban League

	a) Inland Manadall had handrad the constitute Conthine conthine and for Oth Associa	
	e) John Woodall had booked the meeting for this month and for 8th April.	
5.	Treasurer's Report	
	There are still quite a number of EMOA members who have yet to renew their membership. Mark had circulated the up to date accounts before the meeting and there were no questions on them. There were 2 funding request for juniors to attend the World Schools Championships (Ben Squire and Rachel Duckworth). The committee agreed to provide 1/3 of their costs for the event, as long as they provided an article	Mark Webster to arrange to get response to Ben and Rachel.
	between them for EMEWS. In terms of the coaching conference there was a request from Ann-Marie Duckworth to provide ½ her costs for attending the conference. The committee had agreed to fund all the cost for EMOA coaches so Ann-Marie to be told to ask for full funding (if she needed it). Other coaches such as John Mather and Ant Squire were already covered.	Mark Webster to talk to Ann-Marie about what she actually needs for coaching conference attendance.
	We are still awaiting final payment from one region for JIRCs. It was agreed that the Treasurer should approach the region directly rather than through Junior Squad	Mark Webster to chase up final payment for JIRCs
6.	Development Chris Phillips reported that the Regional Training Day on 24th November 2018 had 31 attendees (only 1 of which are from outside the region). 8 on controller's course, 6 on the planner's course, 6 on the organiser's course and 11 on the mapping workshop.	
	We need to have someone to take on the Regional Training Day next time as Chris is no longer Development rep.	
	There were 7 attendees on the controller's course from EMOA (1 person was from outside the region). As the EMOA committee we have to approve the controllers, though they need to be nominated by the clubs. DVO supported all 3 of their controllers, 2 from LEI were also supported by the club. NOC did state that their controller had yet to plan any non-urban events but they would ensure he had support if involved in any non-urban events and so approved their	Chris Phillips to submit 7 controller nominations to BO.
	rep. Chris Phillips was asked to submit these nominations to BO. Steve Edgar C LEI Iain Phillips C LEI	Amanda Roberts and Chris Phillips to chase up Jeff Baker for his CV so his
	Andrew Ridgway C NOC Paul Addison B DVO Doug Dickinson B DVO	application could go forward to BO.
	Ann-Marie Duckworth B DVO	

	The committee had still to receive a formal CV for Jeff Baker (LOG) to submit the formal application to BO. Amanda Roberts and Chris Phillips were to chase him up so his application could go forward.	
7.	Coaching	
	The coaching course was very successful with 75 coaches there including 12 from EMOA. Hilary was thanked for doing a good job in pulling it all together.	
8.	Junior Squad	
	Ant Squire provided a short update on what the Junior Squad had been doing and planned to do.	
	The squad have undertaken training every 3 weeks, so there have been around 5 coaching sessions with the squad since the last committee meeting. These have often been paired with events often local C3s and C4s. The squad did look at trying Saturdays as an alternative but many of the squad did not want this.	
	Since the end of November the squad have held training in association with the following events:	
	 Bradgate Park with 8 attendees Junior Squads had their annual weekend in Hawkshead Epping (which was an Interland selection event) – 9 + 1 East Anglian Junior attendees Sherwood Forest (using Ollerton Pit Wood) – 5 attendees Belton – 5 attendees 	
	 Going forward further training is planned at: Feb 9/10 – Buxton along with Birchen Edge (in association with West Midlands Junior Squad) 3 Mar – Sprints And also plan to train in association with Red Rose Weekend in Lakes In April YHOA have a weekend at Malham (other regions will be going) 	
	The Junior Squad would also like to organise an event so as to promote the squad and also develop the responsibility for the juniors. The aim would be for them to take on many of the major roles (as has been done before). It was thought all the 2019 events have been allocated but NOC would be happy for them to take charge of one of their events in 2020 (The squad would like to be able to fund a trip to Scandinavia in	Pauline Olivant to work with Junior Squad to identify a suitable NOC event for them to organise in 2020.

	2020 so this would be part of the fund raising). NOC to look with Junior Squad to decide which would be best event for them to organise in 2020.
9.	Correspondence Mike Gardner shared the note he had received from Sarah Brown about videos. South London Orienteers have produced a series of eight videos showing different techniques used in orienteering. The videos are presented by different athletes from the GB Orienteering team and filmed in different locations. The aim of the series is to help juniors deal with more technically demanding courses, but these films can also be used to show beginners how to get started in our sport. Each video focuses on a specific orienteering skill.

e. Other Fixtures

- a. Ursula passed round a number of points she wanted to cover before the next ESG meeting on 2nd March.
- b. She also passed round a list of EMOA level C and EM Urban League events for 2020 (this also included any EMOA level A or B events). There is a clash to be resolved on 5th April 2020.
- c. There was also a list of all BO major events from 2010 to 2023.
- d. There was some discussion as to whether there might be the possibility of smaller regions putting on a JK Lite event. This was deemed not to be appropriate.
- e. It was noted that regions putting on the Home Internationals no longer had to fulfil the accommodation requirements. It is hoped this may encourage clubs to volunteer to host this event.
- f. Looking at the list of major events, the question was asked are there too many major events. What do clubs think should be the events we should have in the future? Can others be combined / cut hosted biannually? Which events are really important?

LOG Rep to query with club fixtures secretary

Club reps to get feeling on which are the important major events and provide feedback to Ursula. Mike Gardner could ask similar question in EMEWS

Orienteering Foundation Report (Pauline Olivant)

Latest news.

- Recent grants have been made to JROS to help towards the costs of developing junior coaches on the summer training camp at Lagganlia. Also to Scottish School Association to help the team prepare for the WSOC in Estonia and to Masterplan adventure to help with a development project in the Fife area, both of these will be from the ring fenced fund for Scotland.
- The Foundation is considering another coaching day in the lakes for Autumn 2019. If any region is interested in running an Adult Coaching day the Foundation would be interesting in hearing from them.
- The Foundation received a very generous donation from MDOC members who decided to donate their volunteer entry fee refunds at the Lakes 5 days.

	 The Orienteering Foundation is registered with several online shopping schemes, by choosing one when you purchase online, they will donate to the Foundation without any extra cost to you.
